

Physician office visits

Non-physician office visits

A vector plot with 'Error' at the center. Several vectors originate from this point, labeled with different factors: 'hospital' (blue), 'chronic' (green), 'school' (magenta), 'health' (black), 'gender' (teal), 'insurance' (red), and 'excellent' (black). The vectors for 'hospital' and 'chronic' point towards the upper right, while 'school' and 'health' point towards the upper left. 'gender' and 'insurance' point towards the lower right, and 'excellent' points towards the lower left.
