Same charge, different treatment

Statistical analysis of single drug possession charges shows that blacks are much less likely to be released at the scene and much more likely to be held in custody for a bail hearing. Darker colours represent a stronger statistical link between skin colour and police treatment.

78% charges released at the scene laid

7.5% 14.5% released held at station for bail

Blacks are much more likely to be held for bail hearings

2.446 charges laid

6.662
